

OFFSET

DIGITALIZATION AND ENTREPRENEURSHIP
FOR HANDCRAFTING SECTOR VET

**OFFSET is an ERASMUS+
cofinanced project that
wants to bring an impact
on the Europe 2020
Strategy and on the Digital
Education Action Plan.**

OFFSET is our
ERASMUS+ KA202-VET
project with partners from
Spain, Italy, Belgium,
Cyprus and the
Netherlands.

OFFSET's main objective is that
of supporting handcrafting
sectors' entrepreneurs in their
transition toward becoming
digital artisans.

To achieve this goal the project
fosters the acquisition of both
**digital and entrepreneurial
skills** throughout entrepreneurs'
participation in a **VET training**
and the use of **supporting tools.**

Funded by the
Erasmus+ Programme
of the European Union

OFFSET - Project Reference 2021-1-ES01-KA220-VET-000033230. This project is funded by the European Union ERASMUS+
Program Key Action 2 Cooperation for innovation and the exchange of good practices.

OFFSET's project results have been developed keeping as references the ENTRECOM and the DIGCOMP frameworks' objectives and by integrating partners' skills and experience.

Entrepreneurship

Digital

OFFSET's project results are structured as follows:

- a **MOOC** training course on digital and entrepreneurial skills targeted toward entrepreneurs and VET trainers.
- a **LIBRARY** containing training materials to further boost knowledge.
- an **ATLAS** containing both sector's best cases and training facilities as to support inspiration and growth.
- an **ASSESSMENT TEST** to help in orienting through materials.
